1. by sending a completed proxy card bearing a later date than your original proxy card and mailing it so that it is received prior to the Annual Meeting;
2. by logging on to the Internet website specified on your proxy card in the same manner you would submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case if you are eligible to do so and following the instructions on the proxy card; or
3. by attending the Annual Meeting remotely at www.virtualshareholdermeeting.com/BAOS2022, and casting your votes.

Your attendance alone will not revoke any proxy.

If your shares are held in an account at a broker or other nominee, you should contact your broker or other nominee to change your vote.

**PROPOSAL 1:
TO APPROVE THE SHARE CONSOLIDATION OF THE COMPANY'S ORDINARY SHARES
(ITEM 1 ON THE PROXY CARD)**

General

The Board of Directors believes that it is in the best interest of the Company and the shareholders, and is hereby soliciting shareholder approval, to effect a Share Consolidation of the Company's ordinary shares at a ratio of one-for-three and one fifth (the "Share Consolidation"), on or around May 15, 2022 or such other date as any director or officer of the Company shall determine (the "Effective Date").

The Share Consolidation must be passed by ordinary resolution which requires the affirmative vote of a simple majority of the votes cast by such shareholders as, being entitled to do so, vote in person or, where proxies are allowed, by proxy or, in the case of corporations, by their duly authorized representative, at the Annual Meeting. If our shareholders approve this proposal, our Board of Directors and/or the registered office provider of the Company will have the authority to implement the Share Consolidation by filing the relevant Share Consolidation resolutions with the Registrar of Companies in the Cayman Islands at any time after the approval of the Share Consolidation but on or around May 15, 2022, or such other date as any director or officer of the Company shall determine.

The Share Consolidation will be implemented simultaneously for all ordinary shares. The Share Consolidation will affect all shareholders uniformly and will have no effect on the proportionate holdings of any individual shareholder, with the exception of adjustments related to the treatment of fractional shares (see below).

Purpose of the Share Consolidation

The Company's ordinary shares are currently listed on the Nasdaq Capital Market ("Nasdaq") under the symbol "BAOS." Among other requirements, the listing maintenance standards established by Nasdaq require the ordinary shares to have a minimum closing bid price of at least \$1.00 per share. Pursuant to the Nasdaq Marketplace Rule 5550(a)(2) (the "Minimum Bid Price Rule"), if the closing bid price of the ordinary shares is not equal to or greater than \$1.00 for 30 consecutive business days, Nasdaq will send a deficiency notice to the Company. Thereafter, if the ordinary shares do not close at a minimum bid price of \$1.00 or more for 10 consecutive business days within 180 calendar days of the deficiency notice, Nasdaq may determine to delist the ordinary shares.

On February 1, 2022, the Company received a written notification from the Nasdaq Stock Market LLC notifying the Company that it was not in compliance with the Minimum Bid Price Rule, and the Company was provided 180 calendar days, or until August 1, 2022, to regain compliance.

To regain compliance with the Minimum Bid Price Rule by August 1, 2022, the Board of Directors determined that it was in the best interest of the Company to solicit the approval of the shareholders to effect a share consolidation of the Company's ordinary shares. The Board of Directors believes that without receiving the shareholders' approval and without the closing price of the ordinary shares otherwise meeting the \$1.00 minimum closing bid price requirement, the Company's ordinary shares will be delisted from Nasdaq.

In the event the ordinary shares were no longer eligible for continued listing on Nasdaq, the Company could be forced to seek to be traded on the OTC Bulletin Board or in the "pink sheets." These alternative markets are generally considered to be less efficient than, and not as broad as, Nasdaq, and therefore less desirable. Accordingly, the Board of Directors believes delisting of the ordinary shares would likely have a negative impact on the liquidity and market price of the ordinary shares and may increase the spread between the "bid" and "ask" prices quoted by market makers.

The Board of Directors has considered the potential harm to the Company of a delisting from Nasdaq and believes that delisting could, among other things, adversely affect (i) the trading price of the ordinary shares, and (ii) the liquidity and marketability of the ordinary shares. This could reduce the ability of holders of the ordinary shares to purchase or sell ordinary shares as quickly and as inexpensively as they have done historically.

Delisting could also adversely affect the Company's relationships with customers who may perceive the Company's business less favorably, which would have a detrimental effect on the Company's relationships with these entities.

Furthermore, if the ordinary shares were no longer listed on Nasdaq, it may reduce the Company's access to capital and cause the Company to have less flexibility in responding to its capital requirements. Certain institutional investors may also be less interested or prohibited from investing in the ordinary shares, which may cause the market price of the ordinary shares to decline.

Registration and Trading of our Ordinary Shares

The Share Consolidation will not affect the registration of our ordinary shares or our obligation to publicly file financial and other information with the U.S. Securities and Exchange Commission (the "SEC"). When the Share Consolidation is implemented, our ordinary shares will begin trading on a post-split basis on the Effective Date that we announce by press release. In connection with the Share Consolidation, the CUSIP number of our ordinary shares (which is an identifier used by participants in the securities industry to identify our ordinary shares) will change.

Fractional Shares

No fractional ordinary shares will be issued to any shareholders in connection with the Share Consolidation. Each shareholder will be entitled to receive one ordinary share in lieu of the fractional share that would have resulted from the Share Consolidation.

Authorized Shares

At the time the Share Consolidation is effective, our authorized ordinary shares will be consolidated at the same ratio. The authorized ordinary shares of the Company shall be decreased from 100,000,000 to 31,250,000 as per resolution 1. (A) below.

Street Name Holders of Ordinary Shares

The Company intends for the Share Consolidation to treat shareholders holding ordinary shares in street name through a nominee (such as a bank or broker) in the same manner as shareholders whose shares are registered in their names. Nominees will be instructed to effect the Share Consolidation for their beneficial holders. However, nominees may have different procedures. Accordingly, shareholders holding ordinary shares in street name should contact their nominees.

Stock Certificates

Mandatory surrender of certificates is not required by our shareholders. The Company's transfer agent will adjust the record books of the Company to reflect the Share Consolidation as of the Effective Date. New certificates will not be mailed to shareholders.

Resolutions

The Board of Directors proposes to solicit shareholder approval to effect a Share Consolidation (or share consolidation as a matter of Cayman Islands law) of the Company's ordinary shares at a ratio of one-for-three and one fifth in the form of shareholder resolutions. The resolutions be put to the shareholders to consider and to vote upon at the Annual Meeting in relation to amending the authorized share capital of the Company are:

1. "IT IS HEREBY RESOLVED, as an ordinary resolution, that:

(A) the 100,000,000 issued and unissued ordinary shares of par value of US\$0.0005 each in the capital of the Company be and are hereby consolidated into 31,250,000 ordinary shares of nominal or par value of US\$0.0016 each, with such Share Consolidation to be effective on or around May 15, 2022, or such other date as any director or officer of the Company shall determine and such date shall be announced by the Company (the "Effective Date"); and

(B) at the Effective Date, the authorized share capital of the Company shall be US\$50,000, divided into 31,250,000 ordinary shares of a nominal or par value of US\$0.0016 each."

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE TO APPROVE A SHARE CONSOLIDATION OF THE COMPANY'S
ORDINARY SHARES. UNLESS REVOKED AS PROVIDED
ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH
APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.**
